Lilla Maria College Alumnae Office

Forward:

We could explain in length the vast differences between a Liberal Arts College and any other college. We could systematically attempt to note what makes us unique. We could define and defend ourselves as a WOMAN'S college...

But instead, we think we can tell you more about ourselves by telling you what we care about —

Butterflies, Ball, Beckett,
Computers, Coast-downs, Cupcakes
Language, Love, Laughter

We care about being ourselves... We like to see our friends marching to different drum beats...
Because we feel that there are no two of us quite alike!

So... with that in mind, we offer this book — dedicated to WOMAN — all of her.

Our best, our love, our all
